I am seeking re-election for the position of Assistant Treasurer because I want to continue to keep FAC in a good financial position as well as continue to bring creative financial ideas to the FAC. My past experience as the assistant treasurer, treasurer and serving as chair of the finance has equipped me with the skills and experience to continue in this role. Additionally, my management skills and past budget experience in my professional career has provided me the necessary knowledge for this role. As Assistant Treasurer of the FAC, I will continue to be fiscal responsible keeping the chapter's interest in the fore front, assisting the Treasurer as needed as well as implementing new ideas which include online payment option. During my two years as treasurer, I took on the full capabilities of QuickBooks for our financial reports and all audits were successful. Being Assistant Treasurer also means being a member of the finance committee which requires knowledge of the chapter's previous finances. As Assistant Treasurer, it takes organization skills, dedication and commitment and I will continue to make it a priority

and follow the guidelines and responsibilities outline in our Fiscal Officers Manual in addition to FAC Policies and Procedures.
